Re: Marslyn Small v. Marc Granowitter, Docket No. 1:21-cv-04446 (ERK) (LB)

Dear Judge Komitee:

This Firm recently has been retained to represent the defendant Marc Granowitter in the above-referenced action (the “Action”). Plaintiff’s counsel had sent a request for waiver of service to Mr. Granowitter, but had not yet served him with the summons and complaint. We have consented, on behalf of Mr. Granowitter, to waive service of process and to accept such service in this Action. Counsel for the parties have stipulated that pursuant to Rule 4(d) of the Federal Rules of Civil Procedure, the date by which Mr. Granowitter must respond to the summons and complaint in this Action is **December 22, 2021**.

In accordance with Your Honor’s Individual Practice and Rules in Civil Cases, I write to request that the Court “So Order” the attached stipulation. There have been no prior requests for an extension of time, nor are there any other scheduled dates in this Action, as Mr. Granowitter had not yet been served with process.

Accordingly, we respectfully request that the Court “So Order” the attached stipulation. We thank the Court for its consideration.

Respectfully submitted,
PHILLIPS NIZER LLP
